

# Trails of Harbor Country

Compiled by Pat Fisher, President HCH

Updated 09/29/2021 (added trail)

Harbor Country Hikers presentations and slow paced hikes focus on the biodiversity along our trails and the forces that created these wonderful places. Our free events are open to all, children are welcome if accompanied by an adult and dogs are allowed according to destination rules. Membership (\$20 for individuals or \$30 for families) is encouraged. For weather cancellations, further information about HCH or to request a membership form, visit [harborcountryhikers.com](http://harborcountryhikers.com).

## NOTES:

For trail blazing, an adaptation of the highway wayfinding system was used for the Harbor Country Hikers (HCH) marker projects. For safety, an adaption of Chikaming Township's lakeshore 911 markers was used to help local EMTs locate a hiker if an incident should occur on a trail. FYI, there is an Easter egg on the trail exit markers. If you scan the QR code it will take you to the following link.
